Dear Parents/Guardians,

Here we are...2018. Christmas was so lovely...extremely cold...but still lovely. This year, I stayed in Alberta but next year it will be up in Whitehorse again. I was eager to start school again and see all of my students....again, it seems that there is much to teach and learn and time moves like a cheetah.

January is actually a good month. The kids come back with eager faces, they already know the routines...everything runs smoothly, like a well-oiled wheel. There are a few projects that still need to be finished (like our French Christmas story...what can I say? Life happens and projects get delayed!) and there are new activities coming our way. I hope that as we learn, we all have fun and enjoy our time together.

Here's an outline for the month to come.
